OF

OF FAMOUS BOOKS.

Large Crown 8vo, Cloth Gilt. Each with Four Illustrations. 1s. 6d.

A REMARKABLE feature of the world of fiction is that the yearly increasing supply of fresh romances, by both new and established authors, has no effect on the unfailing popularity of the recognised masterpieces. The demand for attractive editions of these books has never been greater than it is to-day, and it is to meet this want that the publishers are issuing this new series. The volumes are well printed from clear type on good paper, tastefully bound in a design that will grace the bookshelf, and splendidly illustrated. In a word, for value, it is the best and cheapest series that has ever been placed on the market.
